ROCKINGER and TRIDEC – two strong JOST-World brands

ROCKINGER Agriculture is one of the world's leading manufacturers of towing hitches for agricultural machinery. TRIDEC is the leading manufacturer of chassis and steering systems for trailers. Both are strong brands of JOST-World.

JOST is the worldwide leading manufacturer of vehicle connection components for systems, modules and components for truck & trailer. Under the umbrella brand name of JOST, the comprehensive range of products is broken down into four areas: The JOST brand includes fifth wheel couplings, telescoping landing gears and accessories for semi-trailers, ball bearing turntables, king pins and container locks as well as components for alternating systems. Under the traditional brand name of ROCKINGER, the company manufactures towing hitches and drawbar eyes for both transporters and trucks, as well as for use in the agricultural industry. REGENSBURGER ZUGGABEL tops off the JOST range of products for coupling technology with towing drawbars for both on-road and agricultural use. TRIDEC is the leading provider of steering systems and single wheel suspensions for trailers and semi-trailers.

JOST is the only supplier that can provide its products and services all around the world. The company is located on all continents, with distribution, production and development. With production plants in

Germany, Spain, Hungary, Poland, Romania, the US, Brazil, Australia, South Africa, China and India, JOST is the global partner of choice for the commercial vehicle industry.
